Updates:

NCOC Coin has assigned a unit to Bastogne Crosswalk to ensure students can cross safely after school.

Staff are assigned to ensure students are stopping before they cross the street. Ms. Flinn recommended that some parents volunteer to assist with road crossing.

We will make a proposal to take to IAC to provide MP presence unless another emergent situation is occurring on post.

Ms. Flinn is going to bring the MP presence and students crossing the train tracks in the Resident Advisory Committee meeting this week.

Some parents are letting their students off on Bastogne rather than taking the loop, which is making.

Dr. Richards brought up parents leaving their kids at school before 7:05AM.

Alford made a motion to adjourn the meeting.

Tedeton-Johnson 2nd the motion.

Without objection, we adjourned at 5:06PM
